

NASHUA SILVER KNIGHTS 2024 SEASON IN REVIEW

ON THE FIELD

2024 MLB DRAFT

The 2024 draft featured four more Silver Knights moving on to the next level, including a current member of this season's roster! Jack Penney ('21), an infielder from Notre Dame was taken by the Detroit Tigers in the 5th round, and infielder Brady Day ('20) from Kansas State was selected by the Philadelphia Phillies in the 10th round. Connor Hujsak ('21) from Mississippi State was selected by the Tampa Bay Rays in the 13th round, and finally current Silver Knight, Owen Carey, was selected and signed in the 15th round by the Atlanta Braves. This brings the Silver Knights total number of drafted players to 38!

MLB Debut

This season, the Silver Knights saw their second ever alum make their MLB debut in Mickey Gasper. A 2016 Silver Knight, Futures League Champion, and 2016 Batting Champion made his first ever appearance for the Boston Red Sox with a pinch hit walk in the 10th inning at Fenway Park. His at bat would extend the inning for the next man up to hit a walk off double!

Know Your Knights

Each franchise in the Futures League is comprised of elite college athletes from the Division I, II, and III levels. That was once again on display in Nashua in 2024, as the roster featured 20 Division I, 5 Division II, and 12 Division III programs.

Great stadium. Fun atmosphere, been coming here since I was a kid to watch the Nashua pride and now enjoying taking my 7 year old daughter to silver knights games. It's hands down one of our favorite things to do on a summer night is watch the silver knights. Hope they are here to stay!!!!
